

DONATION FORM

Integrating Ireland is a charitable not for profit organisation and is wholly reliant on grants from philanthropic Organisations and EU funding. The grants that the organisation bids for are sufficient to cover a little over 85% of the running costs and therefore needs to raise fiscal resources from whatever other sources possible, which would share in the vision and mission of the organisation. Monies collected from donations will be used to fund the information and communications work that the organisation undertakes.

POST TO

Integrating Ireland, 17 Lower Camden St., Dublin 2, Ireland
